

STRONSAY COMMUNITY COUNCIL

On behalf of the Transportation Manager, Orkney Islands Council, please find attached the winter timetable to operate from 30 October, now incorporating a drop to Eday on a Friday morning.

Please note that this drop has been established on a temporary basis during the winter period (30 October until 18 February). Passenger figures will be monitored during this time. The first 4 seats will be given priority to North Ronaldsay to ensure that this remains an essential service for its residents.

Colin McAlpine, Island Link Officer, 20 July 2022
