

Orkney Ferries Winter Timetable

Residents are being consulted over changes to the Orkney Ferries Winter Timetable operating between 27 September 2021 and 7 May 2022

Sailings will revert to the pre COVID arrangements whereby the ferry will stay over in Stronsay every Tuesday and Thursday, subject to the lifting of current COVID restrictions.

A copy of the proposed timetable is attached and you are invited to give your opinion on this, as it may be possible to have the timetable changed.

There is a very tight time limit and responses need to be forwarded to [stronsaycc@gmail.com](mailto:stronsaycc@gmail.com) by 4pm this Wednesday, the 21<sup>st</sup> July 2021.

Would you prefer for there to be no Stronsay overnight stays when the winter timetable is in operation, or is your preference for the ferry to lie over in Stronsay on a Tuesday and Thursday?

Thank you for giving this your attention.

Colin McAlpine  
Stronsay Island Link Officer
