

Job Vacancy – Waste Management Officer

Hours: 20 per week

Wage: £8.50 per hour

The Role will involve working in the Stronsay Recycling Centre overseeing the collection and processing of various waste materials with due consideration for the environment, while conforming to government regulations.

Key Responsibilities

- Oversee waste management schemes
- Process cardboard, paper and glass waste using specialized equipment
- Maintain accurate records and complete regular reports on activity
- Attend relevant training courses when necessary
- Work with additional volunteers to run and maintain the Stronsay ReStore, processing textiles and furniture waste.
- Work with the Development Officer to promote the current facilities and explore/develop new ideas
- Keep up to date with changes in legislation and initiatives
- Maintain equipment and machinery to specified criteria

Key skills required

No qualifications are required; however, a good level of education is desirable.

Candidates should possess confidence, initiative and organisational skills.

Communication skills are important, and candidates should be able to demonstrate a genuine interest in and understanding of the environment and sustainability issues.

Although the work will mainly involve the daytime opening hours of the recycling centre and ReStore, you may be required to work some evenings and/or weekends to facilitate and participate in open events and activities.

Applications can be found on the Trust website, or from the Shops and Trust Office.

Please complete and return to, Stronsay Development Trust, unit 1, Woods Yard, Stronsay, KW17 2AR by Monday 17th June, with interviews being held the following week.
