Hotel Manager

To work with the department supervisors and staff to take forward the hotel to achieve and, ideally, exceed targets arising from the core objectives e.g. Guest Service, Employee Relations, Quality Delivery, and Sales & Revenue. The successful candidate will not be afraid to roll up their sleeves and step in to help get the job done where necessary.

To help and support the cook to deliver the menu meals to the required standard.

These opportunities will require hard work with possible unsociable hours but working in the first of its kind in Orkney will be extremely rewarding for the successful candidates.
